

2026 Membership Fee Schedule Update

February 10, 2026

Approved by the ITC Board of Directors. New fees apply immediately for new members. For existing members, updated fees take effect at your next renewal.

Base Membership Fees

The following base fee adjustments reflect the incorporation of the UI SIG into the core platform and the growing cost of maintaining and advancing IntelliCAD. The higher first-year fee for new Royalty and Royalty-Free members has been eliminated to simplify onboarding.

Membership Tier	Previous Fee	Updated Fee
API Membership	\$500	\$1,000
Government Membership	\$30,000	\$35,000
Royalty Membership	\$35,000	\$38,000
Royalty-Free Membership	\$68,000	\$75,000

Note: The standalone UI SIG fee (\$2,750) is discontinued. The Ribbon and related UI SIG components are now included as a core component of IntelliCAD.

Per-Copy Royalty Fee

The per-copy royalty fee for Royalty-based members is updated to better reflect the value and ongoing investment in the IntelliCAD platform.

Fee Type	Previous Fee	Updated Fee
Per-Copy Royalty	\$15	\$25

SIG and Component Fees

Development and maintenance costs for SIGs and licensed components have increased over time. These adjustments bring fees closer to the actual cost of supporting these capabilities.

SIG / Component	Previous Fee	Updated Fee
BIM SIG	\$5,500	\$6,500
Mobile Platform SIG	\$4,000	\$5,000
Pictorex ARTISAN	\$500	\$1,000
STEP/IGES	\$700	\$1,400
Spatial ACIS	\$2,500	\$3,500

Annual Fee Adjustment Policy

To provide greater predictability for members and avoid large, infrequent fee changes, the board has approved a structured annual adjustment approach. Key details:

Annual adjustments: Rates will be subject to a 3% annual escalator, to avoid irregular or unplanned increases.

Board discretion: The board retains the right to modify or suspend adjustments based on economic conditions or strategic priorities.

Effective start: The annual adjustment policy will take effect beginning with the 2027 membership year. All members will have a full year at the updated 2026 rates before any further adjustments are considered.

If you have questions about these changes or how they apply to your membership, please contact Shawn Lindsay (President) or Jason Poitras (Business Development).

Sincerely,

A handwritten signature in blue ink that reads "Shawn M. Lindsay".
