AGREEMENT

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the ITC and the ITC Member agree as follows:

Section 1. License.

1.1 Grant. The ITC hereby grants to the ITC Member and the ITC Member accepts, subject to the terms and conditions of this Agreement, a nonexclusive, revocable license in the STEP/IGES Component to:

1.1.1 use and reproduce the STEP/IGES Component Licensed Materials for the internal purposes of embedding the STEP/IGES Component Licensed Materials into Member Applications. An ITC Member contractor may accomplish such embedding, provided that the ITC Member first binds the contractor to a written agreement no less protective than this Agreement and the commercial membership agreement of the ITC's rights;

1.1.2 use the STEP/IGES Component Licensed Materials to (i) conduct demonstrations of Member Applications to potential End Users and Resellers and (ii) train and provide installation support and maintenance of STEP/IGES Component Licensed Materials, as embedded into Member Applications, to End Users and Resellers. This use may be sublicensed to a Reseller (in object code form only) for application to End Users once the Reseller is bound by a written reseller agreement that is consistent with the terms of this Agreement and the commercial membership agreement in protecting the ITC's property rights and limiting potential liability of the ITC; and

1.1.3 reproduce and distribute copies of STEP/IGES Component Licensed Materials, in object code only, as embedded into Member Applications, to End Users pursuant to an end user agreement that is consistent with the terms of this Agreement and the commercial membership agreement in protecting the ITC's property rights and limiting potential liability of the ITC. This license to reproduce and distribute may be sublicensed to a Reseller for application to End Users once the Reseller is bound by a written reseller agreement that is consistent with the terms of this Agreement and the commercial membership agreement in protecting the ITC's property rights and limiting potential liability of the ITC.

1.2 Limitations. The license granted under Section 1.1 sets forth the entirety of the ITC Member's right to use and otherwise deal with the STEP/IGES Component Licensed Materials. Without limiting the generality of the foregoing, nothing in this Agreement will be construed or interpreted as granting any right or interest of any kind in information, products or other items made, developed or created by or for the ITC, whether before or after the date of this Agreement, in implementing the STEP/IGES Component Licensed Materials.

1.3 License from ITC Member to the ITC. ITC Member will disclose and deliver to the ITC all bug fixes it obtains, discovers, or develops to the STEP/IGES Component Licensed Materials, in source code form within thirty (30) days of discovery or development. ITC Member hereby grants the ITC a nonexclusive, fully-paid, irrevocable, royalty-free license to reproduce, distribute, perform, publicly display, and otherwise exploit all bug fixes delivered or disclosed to the ITC pursuant to this Section 1.3, and to sublicense the foregoing rights (including, without limitation, to other members of the ITC or any successor thereto). ITC Member hereby grants the ITC an irrevocable right to a nonexclusive, fully-paid, irrevocable, royalty-free license to distribute, perform, publicly display, and otherwise exploit all core technologies it obtains, discovers, or develops to the STEP/IGES Component Licensed Materials, in source code form,

and to sublicense the foregoing rights (including, without limitation, to other members of the ITC or any successor thereto). The ITC may unilaterally exercise this right by providing notice to ITC Member.

Section 2. Fees and Payments.

The ITC Member will pay to the ITC a one-time license fee of \$1,800.00 and annual renewal fees of \$700.00 per year for use of the STEP/IGES Component Licensed Materials.

Section 3. Term.

Unless earlier terminated as provided in this Agreement, the initial term of this Agreement will begin on the date following the last signature below and will run conterminously with the commercial membership agreement between the ITC and the ITC Member.

Section 4. Termination.

4.1 Termination for Cause. Either party may, at its option, terminate this Agreement if the other party materially breaches any obligation under this Agreement and such breach is not cured within thirty (30) days following receipt of written notice of such breach.

4.2 Termination Based on Dispute with Open Cascade S.A.S. The ITC may, in its absolute discretion and without notice, terminate this Agreement if (a) the ITC becomes involved in any dispute with Open Cascade S.A.S., or (b) the ITC Member ceases to be a member in good standing of the ITC.

4.3 Termination Upon Bankruptcy. Either party may immediately terminate this Agreement upon written notice to the other in the event that: (a) a petition or action is filed or taken by or against the other party under any insolvency or bankruptcy law that is not dismissed within sixty (60) days, (b) a receiver is appointed over the assets or undertaking of the other party, (c) the other party enters into a deed of arrangement or makes an assignment for the benefit of creditors, or (d) the other party ceases to function as a going concern, or an order is made or a resolution passed to that effect, except for the purposes of amalgamation or reconstruction. The party affected by any of the foregoing events will notify the other party immediately upon the occurrence of such an event.

4.4 Effect of Termination. Upon termination or expiration of this Agreement: (a) the licenses granted in this Agreement terminate and the ITC Member will immediately cease exercising all rights granted under this Agreement with respect to STEP/IGES Component Licensed Materials; (b) all Resellers will cease marketing, distributing and sublicensing STEP/IGES Component Licensed Materials; (c) The ITC Member will promptly return and make no further use of STEP/IGES Component Licensed Materials, and property, materials and other items, and all copies thereof, belonging to the ITC relating to this Agreement, and (d) the ITC Member will promptly pay all fees due to the ITC at the time of such termination or expiration. The ITC Member will execute a written acknowledgment of its compliance with this section upon termination of this Agreement. Nothing contained herein will limit any other remedies, which either party may have for the default of the other party under this Agreement.

4.5 Survival. The provisions of this Agreement that by their sense and context are intended to survive performance by either or both parties, together with any accrued payment obligations, will survive the completion, expiration, termination or cancellation of this Agreement.

4.6 Repossession of STEP/IGES Component Licensed Materials. This Agreement is executory in nature, and as long as the ITC Member has any continuing obligations hereunder, the ITC will be entitled to protect STEP/IGES Component Licensed Materials, and for this purpose, in the event that the ITC Member fails promptly to perform any obligation under this Agreement which would fully protect intellectual property rights of the ITC, the ITC Member hereby grants to the ITC the right of injunctive relief (without the need to prove this remedy is justified) and the right to repossess such STEP/IGES Component Licensed Materials from the ITC Member. This right will continue notwithstanding the termination or expiration of this Agreement for any reason and is without prejudice to any accrued rights of the ITC hereunder.

Section 5. Proprietary rights.

No title to or ownership of the STEP/IGES Component Licensed Materials, or any proprietary right associated with ownership of the STEP/IGES Component Licensed Materials, is transferred to the ITC Member under this Agreement. Without limiting the generality of the foregoing, the ITC reserves all its rights in and to the STEP/IGES Component Licensed Materials, subject only to the rights granted to the ITC Member under Section 1.1. The ITC Member will take such action (including, but not necessarily limited to, the execution and delivery of documents) as the ITC may reasonably request to effect, perfect or evidence such rights of the ITC in the STEP/IGES Component Licensed Materials. Upon request, the ITC Member will deliver to the ITC a complete, accurate, reproducible copy of the STEP/IGES Component Licensed Materials.

Section 6. Disclaimers.

6.1 No warranties.

THE STEP/IGES COMPONENT LICENSED MATERIALS ARE PROVIDED "AS IS," "WITH ALL FAULTS, ERRORS, OMISSIONS, DEFECTS AND DEFICIENCIES," AND WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE ITC DOES NOT WARRANT THE PERFORMANCE, FITNESS OR QUALITY OF THE STEP/IGES COMPONENT LICENSED MATERIALS, AND THE ITC MEMBER WAIVES AND RELEASES ALL RIGHT AND REMEDIES OF THE ITC MEMBER, AND ALL WARRANTIES, OBLIGATIONS AND LIABILITIES OF THE ITC, EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, WITH RESPECT TO ANY FAULT, ERROR, OMISSION, DEFECT, DEFICIENCY OR NONCONFORMITY IN THE STEP/IGES COMPONENT LICENSED MATERIALS OR ANY OTHER ITEM FURNISHED UNDER THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY (A) IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, (B) IMPLIED WARRANTY ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OR TRADE, (C) CLAIM OF INFRINGEMENT, (D) CLAIM IN TORT, WHETHER OR NOT ARISING IN WHOLE OR IN PART FROM FAULT, NEGLIGENCE, STRICT LIABILITY OR PRODUCT LIABILITY, AND (E) CLAIM FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, TREBLE OR

CONSEQUENTIAL DAMAGE, COVER, OR ANY LOSS OF PROFIT, DATA, REVENUE OR USE.

6.2 No money damages.

Except as otherwise set forth in Section 7 herein, IN NO EVENT WILL THE ITC BE LIABLE TO THE ITC MEMBER OR ANY THIRD PARTY FOR ANY DAMAGES, INCLUDING ANY LOST PROFITS, LOST SAVINGS, OR OTHER DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE STEP/IGES COMPONENT LICENSED MATERIALS, EVEN IF THE ITC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY THIRD PARTY.

Section 7. Indemnification.

The ITC Member will defend, indemnify and hold harmless the ITC from and against any and all claims, losses, harm, costs, liabilities, damages and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or in connection with the ITC Member's exercise of the rights granted under Section 1.1 (including, without limitation, the use, publishing, distribution, sublicensing or implementation of the STEP/IGES Component License Materials), or any act, omission, fault, negligence, strict liability or product liability of the ITC Member, or anyone acting by, through, under or on behalf of the ITC Member. To the fullest extent permitted by applicable law, this section will apply regardless of any act, omission, negligence, or strict liability of the ITC.

Such notices will be deemed to be duly given on the earlier of (a) actual receipt, irrespective of whether communicated in person, by telephonic facsimile, telegraph, teletype, electronic mail or other form of wire or wireless communication, or by mail or private carrier or other method in which the writing is to be read by the recipient, or (b) on the fifth day after mailing by registered or certified mail, return receipt requested, postage prepaid and addressed as follows:

8.2 Independent contractor.

Each party is an independent contractor (and not a partner, agent, franchisor or franchisee) of the other in the performance of its obligations or the exercise of its rights under this Agreement. This Agreement will not be interpreted or construed as creating or evidencing a partnership, agency or franchise between the parties or as imposing any partnership, agency or franchise obligation or liability on either party. Without limitation of the foregoing, the ITC Member will not make any representation or warranty, enter in to any agreement or commitment, incur any obligation or liability, or take any other action in the name of or otherwise on behalf of the ITC.

8.3 Assignment.

Each party will be entitled to assign its rights and obligations under this Agreement to any affiliated corporation or other business entity and to any successor, by sale, merger or other business combination to all or substantially all of its business and assets, provided the successor assumes all obligations of such party under this Agreement and agrees in writing to be bound hereby.

8.4 Nonwaiver.

No delay or omission by any party hereto to exercise any right or power under this Agreement will impair such right or power or be construed to be a waiver thereof. A waiver by either of the parties hereto of any of the covenants to be performed by the other or any breach thereof will not be construed as a waiver of any succeeding breach thereof or of any other covenant herein contained.

8.5 Dispute Resolution.

All disputes, controversies, claims, and defenses arising out of, relating to, or involving this Agreement, whether involving theories of tort, contract, or violation of statutory laws ("Claims") are subject to the following provisions:

8.5.1 Arbitration.

Except as to actions, suits, or proceedings commenced or maintained by persons not parties hereto, any party may elect to have any Claim be determined by binding arbitration. The election will be made by written notice. 8.5.3 Applicable Law; Jurisdiction and Venue.

This Agreement will be interpreted, construed and enforced in all respects in accordance with the laws of the State of Oregon without reference to its choice of law rules. All actions or suits by a party will be brought and maintained in Portland, Oregon. Each party consents to personal jurisdiction in Oregon and waives any right to seek a change of venue.

8.5.4 Costs and Attorney Fees.

The prevailing party in a judicial action, suit or arbitration proceeding will be awarded all reasonable costs, attorneys' fees and expenses incurred in connection with the proceeding and on any appeal except that the costs and fees of the arbitrator will be shared equally.
